

Authorization for Dental Care on a Minor

I authorize dental treatment to be rendered on my child/minor, _____, without my physical presence in the dental office. I have been advised that it is ideal to have a parent/legal guardian present in the office during treatment in case of any complications or medical situations that may arise. With knowledge of this, I authorize the _____ team to take any emergency care/action or precautions deemed necessary. I still retain the authority to approve or decline treatment to be rendered and will make that designation clear before the appointment either in person or by phone consent.
